

**Lab Preferences**  
**Inaugural Mixed Method Conference**  
**September 9-12, 2019**

Thank you for reviewing the Conference Schedule and the Workshop Lab choices for the Mixed Method Preaching Conference. Please list your first four choices and then email to [phdprogram@cts.edu](mailto:phdprogram@cts.edu)

1.

2.

3.

4.

We will do our very best to place you in one of these four choices. By virtue of the fact that everyone is being given a chance to preach, we will need to distribute the conference participants evenly. Thanks for your patience and understanding.
